

## Graphic Design Intern

### Why Join Us?

The Resource Discovery & Development (RDD) team has the privilege of providing creative services to the Child & Youth Development Team within Global Program. Our work spans from documentary films to curriculum design and online resources for a global audience. This unique internship opportunity will include a supporting design role in creating ministry campaigns during the summer time frame for audiences in Asian, African and Latin American markets. Our intern will reflect RDD's team culture, with a genuine desire to serve our clients with creative excellence and most importantly an undeniable passion to help fulfill our Kingdom mission to release children from poverty in Jesus name.

### You will:

- Assist in print and digital design projects to support the work of our Global Program internal client partners, such as infographics, web pages, email design and eNews campaigns, event collateral (signage, attendee information, conference agendas, PPT templates), print curriculum and more.
- Report directly to our Project Manager and collaborate with our broader RDD team to actively participate in the creative process, from concept to proofing and production, and deliver excellent creative product that is on time, on budget and on strategy to the ultimate satisfaction of our internal client partners.

### You have:

- A personal relationship with Jesus Christ. A consistent witness for Jesus Christ, maintains a courteous, Christ-like attitude in dealing with people within and outside of Compassion, and faithfully upholds Compassion's ministry in prayer.
- A passion to advocate for children – raising the awareness of the needs, neglect, nurture, and potential of children in poverty and challenging and enabling those within one's influence to greater involvement and effectiveness on behalf of children.
- Exceptional, proven design skills for both print and digital environments.
- A positive attitude and a passion for service.
- Ability to thrive in an environment with many moving pieces and to manage stress related to deadline-driven business.
- Openness to constructive criticism and to relentlessly adapt your work to the needs of our clients.
- Strong willingness to take direction and work independently on assigned design tasks.
- Knowledge of marketing communications technique and theory.
- Strong attention to detail, for proofing and finalizing print/digital design files.
- Ability to develop creative ideas from specified strategies.
- 

### You study:

- Design (for print and digital environments) or related discipline
- Please include samples of your work or a link to your digital portfolio with your resume
