We know you have a heart for children in need. One Meal One Day is your chance to share it with others and fight hunger together. Visit OneMealOneDay.com for details and downloadable resources.

There are many crucial activities and initiatives that affect and improve the lives of sponsored children. As a global advocate for children, Compassion supports, encourages and equips children — from conception to the Lord. Through the Leadership Development Program, students receive:

• one-on-one mentoring
• focused Christian leadership training
• tuition fees, room and board to attend an accredited university
• emotional and spiritual support through trained specialists who make home visits
• the message of God's love through Jesus Christ
• health and hygiene training
• educational opportunities

CHILD FOCUSED. Compassion focuses on the individual child and his or her development.

CHRIST CENTERED. Every child hears the gospel in an age-appropriate and culturally relevant way.

ACCOUNTABILITY. There is transparency and accountability for the research and interventions in Compassion's programs.

INTERVENTIONS. The interventions varies depending on what a child needs. These interventions include safe care, food support, HIV and AIDS assistance, immunizations and vocational training.
