

# A WEEK OF PRAYER FOR RECOVERY AND REBUILDING

**IT HAS BEEN A LONG FEW MONTHS**, and the question weighing heavily on many of our hearts is “When will this be over?” This week, we invite you to pray with us for recovery and rebuilding. We hope these prayers remind you of God’s promise to never leave nor forsake his children.

01

Pray for the hope and faith to believe that God is bigger than the pandemic. Pray for eyes open to his restoration in the world, even if it doesn't look the way we'd like it to.

02

Pray for those who are recovering from months of isolation. Pray that God will put people in their lives to help them rebuild what has been lost, and give them courage to reach out for help.

03

Pray for global leaders as they begin taking steps toward rebuilding. Pray that they will have wisdom as they make incredibly important decisions, and humility as they seek information from experts.

04

Pray for financial recovery for those who have lost jobs or businesses. Ask God to show you ways you can reach out and help those people in your life who may need extra care in this difficult season.

05

Pray for those who need physical healing and recovery right now. Pray for the long-term healing of those who have suffered from COVID-19, and for those caring for them.

06

We praise God for those who have already recovered from the virus. We are grateful for his miracles, and we also praise him for the eternal healing of his children who have succumbed to the disease.

07

What is a part of your life that you want to invite God to begin rebuilding? Pray today that he will reveal it to you and help you know how to take those first steps toward recovery and joy.

*“The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.”*
