My Sponsorship

Speak up for those
who cannot speak for
themselves, for the rights
of all who are destitute.

- Proverbs 31:8, NIV

Dear Future Sponsor...

- Poverty rose globally in 2020 and 2021 by approximately 150 million people — the first increase in the global poverty rate in 20 years
- UNESCO estimates global poverty could be cut by 55% if all children completed secondary education
- Approximately 264 million children and youths around the world are not attending school

Sponsorship

can help them realize
a future where they
thrive and are released
from poverty.

Let's watch this video to see how!

The background features several large, overlapping organic shapes in green, yellow, and red. A large dark blue shape in the center contains the text.
